Table Data

col 1	col 2	col 3	col 4	col 5
1	text 1	text2	text3	text4
1	text 1	text2	text3	text4
1				text4

Advice

The information provided for the organization is insufficient to analyze its financial health or make any recommendations. Adequate data such as total assets, total debt, annual wages, housing costs, total expenses, revenue for the last fiscal year, and the number of employees must be provided to make an accurate analysis. The client is advised to submit additional data for a comprehensive financial health report and consequent recommendations for improvement.
